Archbishop Dr. Arthur Kitonga

Redeemed Gospel Church Inc.

This is the dawn of a new era, as God's servant shows us. The Holy Spirit is raising up a new leadership of dedicated men and women of God who will train and equip the Body of Christ to walk in the glory of God. A breed of people full of passion for God and full of passion for the heart of Jesus will spring up, determined to do God's purposes in this generation and generations to come.

I gladly endorse this book as a well researched material that will build the Body of Jesus Christ. I therefore recommend it to all ministers and saints alike.
